

Salutations!

Since moving to Philadelphia in late 2009, I've handwritten just about 250 personal letters. To mark this achievement (and maybe pick up a few more penpals), I'd like to send a lucky person one of my trademark "map letters" (a hand-drawn map with a letter written over top of it). All you have to do is send a note to this address by April 15, 2016 (4-15-16):

Simon's 250th Letter
PO Box 15241
Phila, PA 19125

I'll answer *every* letter! Not sure what to write? Tell me about something that made you happy recently, something that made you sad/angry recently, and something you're looking forward to.
